NOTICE OF BASIC ASSESSMENT AND PUBLIC PARTICIPATION PROCESS

SWITCHING SUBSTATION AND 132kV POWER LINE FROM THE AUTHORISED ORKNEY SOLAR FARM SUBSTATION TO THE EXISTING VAAL REEFS TEN SUBSTATION, NORTH WEST PROVINCE

Applicant: Genesis Eco-Energy Developments (Pty) Ltd

Proposed Activity: Construction and operation of grid connection infrastructure consisting of a switching substation and 132kV power line between authorised Orkney Solar Farm Substation (DFFE Ref: 14/12/16/3/3/2/954) and the existing Vaal Reefs Ten Substation, situated at the Tau Lekoa Mine.

The grid connection infrastructure will include a power line and switching substation with a contracted capacity of up to 132kV. The power line is being assessed within a 300m wide (both sides of the R502) and 7.3km long corridor which will allow for the optimisation of the infrastructure to be developed and to accommodate identified environmental sensitivities. The height of the power line pylons will be up to 20m. The servitude of the power line will be up to 36m in width

Project Location: . The proposed construction is situated in the City of Matlosana Local Municipality, Dr Kenneth Kaunda District Municipality near the town of Orkney in the North West Province. The site can be accessed from the R502, and the proposed location of the farm properties are:

Remaining Extent of the Farm Wolvenhuis 114HP

- » Portion 8 of the Farm Wolvenhuis 114HP
- » Portion 9 of the Farm Wolvenhuis 114HP
- » Portion 20 of the Farm Wolvenhuis 114HP
- » Portion 21 of the Farm Wolvenhuis 114HP
- » Portion 22 of the Farm Wolvenhuis 114HP

Remaining Extent of the Farm Goedenoeg 433IP

- » Portion 12 of the Farm Goedenoeg 433IP
- » Portion 24 of the Farm Goedenoeg 433IP
- » Portion 27 of the Farm Goedenoeg 433IP
- » Portion 31 of the Farm Goedenoeg 433IP
- » Portion 33 of the Farm Goedenoeg 433IP
- » Portion 47 of the Farm Goedenoeg 433IP
- » Portion 64 of the Farm Goedenoeg 433IP
- » Portion 81 of the Farm Goedenoeg 433IP

Application for Basic Assessment Process: An application for Environmental Authorisation: In terms of Sections 24 and 24D of the National Environmental Management Act (No 107 of 1998), as read with the EIA Regulations, GNR 982-985 of 4 December 2014, as amended, a Basic Assessment is required to be undertaken for the proposed Orkney Solar Farm and its associated infrastructure.

Basic Assessment available for public review and comment: A Basic Assessment Report in support of the Application for Environmental Authorisation has been compiled and available for review and comment. Visit our online stakeholder engagement platform at (<https://savannahsa.com/public-documents/grid-infrastructure/>). Basic Assessment Report is available from **Monday 9 May 2022** to **Wednesday 08 June 2022**.

Lê weg aan wyn, kos

Klerksdorp Rekord, Klerksdorp - Omkring jul dagboeke, want die NG Kerk Wilkruin se Winterwynfees vind vanjaar plaas.

Na die grendeltyd van Covid pak die gemeente 2022 aan met 'n nuwe konsep van hul vorige Voedsel-en-wynfeeste.

Dans vir 'n goeie doel

Klerksdorp Rekord, Klerksdorp - Klerksdorpers kan binnekort saam met Appel kuier en so 'n kind help met Tourette se sindroom.

Appel, bekend vir liedjies soos Nonna en Dina, tree op 2 Julie by Koffiekan (Klerksdorpdam) op. Die vertoning sal om 15:00 begin.

Volgens die organiseerders sal 'n plaaslike kunstenaar ook optree en sal daar 'n dans na die vertoning wees. Die kaartjies kos R200 elk en R100 vir kinders tussen 6 en 12 jaar oud.

Die kaartjies is by Arnold & Wessels en Bruder langs die kantoor van *Klerksdorp Rekord* te koop.

Die vertoning is ten bate van 'n leerling in Laerskool Goudkop wat aan die neurologiese sindroom ly. Sy naam word weerhou.

Volgens prof Petrus de Vries van die Universiteit van Kaapstad, is Tourette se sindroom onwillekeurige, vinnige, herhalende, nie-ritmiese, doellose bewegings.

Dit kan sigbare bewegings of vokale uitlatings wees.

Sommige lyers hoës, maak keel skoon, snuif, blaf, fluit of maak dieregeluide en het ongewone asemhalingspatrone.

Daar is ook lyers wat vloek, skel of skree sonder enige rede.

Dit is ongeneeslik maar simptome kan behandel word. Dit is egter baie duur.

Skakel Angelique by 083 716 5495 vir meer inligting oor die vertoning.

'n Gesellige winterkuier by die pragtige C'est La Belle-trouvenue word beplan rondom vele wynplase se heerlike wyne om van te proe. Vars brode, verskeidenheid kase, sop, en geurige beesstert is die keer reeds 'n wenresep.

Dit vind plaas op Vrydagaand 3 Junie. Jou kaartjie sluit jou proeglas, wynproe, en heerlike ete in.

Die kaartjies is beskikbaar by die kerkkantoor tussen 8:00-11:00 teen R300 elk.

Daar is 'n beperkte hoeveelheid kaartjies beskikbaar.

Hierdie is ook die ideale geleentheid om op 'n stylvolle wyse jou kliënte te onthaal, of om as 'n groep vriende saam te kuier op 'n spesiale manier in Klerksdorp. Moet dit nie misloop nie.

Meer inligting van Alewyn Burger, 084 548 5995, en Deon Fouche, 072 276 4935.

OPEN VACANCY

QUALIFIED DIESEL MECHANIC

REQUIREMENTS

- Grade 12
- NQF Level 1 and 2 (Diesel Mechanic Studies)
- Valid Drivers Licence Code B, EB or C1
