PER EMAIL / MAIL

Dear Mr Brambilla

AMENDMENT OF THE ENVIRONMENTAL AUTHORISATION ISSUED ON 23 MARCH 2017 FOR THE DEVELOPMENT OF THE SKUITDRIFT 1 SOLAR PV ENERGY FACILITY ON THE FARM SKUITDRIF 426 NEAR AUGRABIES WITHIN THE KAI IGARIB LOCAL MUNICIPALITY, NORTHERN CAPE PROVINCE

The Environmental Authorisation (EA) issued for the abovementioned application by this Department on 23 March 2017, the amendments to the EA dated 04 February 2019 and 25 July 2019, your application for amendment of the EA received by the Department on 15 March 2022 and the acknowledgement letter dated 25 March 2022, refer.

Based on a review of the reason for requesting an amendment to the above EA, this Department, in terms of Chapter 5 of the Environmental Impact Assessment Regulations, 2014 as amended, has decided to extend the validity period of the EA dated 23 March 2017 as amended, as follows:

The activity must commence within a period of Ten (10) years from the date of expiry of the EA issued on 23 March 2017 as amended (i.e. the EA lapses on 23 March 2027). If commencement of the activity does not occur within that period, the authorisation lapses and a new application for environmental authorisation must be made in order for the activity to be undertaken.

The applicant applied to extend the validity of the EA as the project constitutes a PV Solar Energy Facility and will be bid into future rounds of the Department of Energy and Mineral Resources' (DMRE) Renewable Energy (RE) Independent Power Producer (IPP) Procurement Programme (REIPPPP) (or similar / private procurement processes). As a valid EA is required to bid the project, an extension of the validity is therefore required

This proposed amendment letter must be read in conjunction with the EA dated 23 March 2017 as amended.

In terms of the Promotion of Administrative Justice Act, 2000 (Act No 3 of 2000), you are entitled to the right to fair, lawful and reasonable administrative action; and to written reasons for administrative action that affects you negatively. Further your attention is drawn to the provisions of the Protection of Personal Information Act, 2013 (Act no. 4 of 2013) which stipulate that the Department should conduct itself in a responsible manner when

In terms of Regulation 4(2) of the Environmental Impact Assessment Regulations, 2014, as amended (the EIA Regulations), you are instructed to notify all registered interested and affected parties, in writing and within 14 (fourteen) days of the date of the EA, of the Department's as well as the provisions regarding the submission of appeals that are contained in the Regulations.

Your attention is drawn to Chapter 2 of National Environmental Management Act, 1998 (Act No. 107 of 1998) National Appeal Regulations published under Government Notice R993 in Government Gazette No. 38303 dated 08 December 2014 (National Appeal Regulations, 2014), which prescribes the appeal procedure to be followed. Kindly include a copy of this document (National Appeal Regulations, 2014) with the letter of notification to interested and affected parties in this matter.

Should any person wish to lodge an appeal against this decision, he/she must submit the appeal to the appeal administrator, and a copy of the appeal to the applicant, any registered interested and affected party, and any organ of state with interest in the matter within 20 days from the date that the notification of the decision was sent to the registered interested and affected parties by the applicant; or the date that the notification of the decision was sent to the applicant by the Department, whichever is applicable.

Appeals must be submitted in writing in the prescribed form to:

By hand: Environment House

Arcadia,
Pretoria,

By post: Private Bag X447,

Please note that in terms of Section 43(7) of the National Environmental Management Act, Act No. 107 of 1998, as amended, the lodging of an appeal will suspend the environmental authorisation or any provision or condition attached thereto. In the instance where an appeal is lodged, you may not commence with the activity until such time that the appeal is finalised.

- 2.2 Section 43 of the National Environmental Management Act, 1998 (Act No. 107 of 1998) ("*NEMA*") designates the Minister of Environmental Affairs as the appeal authority for a decision made by a delegated official of the Department of Environmental Affairs (the Department) under NEMA or a specific environmental management Act.
- 2.3 The Directorate: Appeals and Legal Review is responsible for administering appeals and making recommendations on appeals to the Minister of Environmental Affairs.
- 2.4 In this respect, the purpose of this guide is to provide information and guidance for applicants, authorities and interested and affected parties ("I&APs") on appeals submitted to the Minister in terms of NEMA and the SEMAs.

3. APPEAL SUBMISSIONS

- 3.1 Chapter 2 of the 2014 Appeal Regulations prescribe that an appellant must submit the appeal to the appeal administrator and to any known interested and affected party within 20 days from the date that the decision for an application for an environmental authorisation in terms of NEMA or a waste management licence in terms of the Waste Act was sent to the registered interested and affected parties, or in the case of decisions where this does not apply, the date that the decision was sent to the applicant.
- 3.2 No appeal is available if the Minister or MEC took the decision himself or herself in his or her capacity as the competent authority, issuing authority or licensing authority. An appeal may, however, be lodged with the Minister or MEC responsible for Environmental Affairs against a delegated decision taken by the Department on an application.
- 3.3 An appeal submission must be submitted in writing in the form obtainable from the Minister or MEC, and must be accompanied by –

- a statement setting out the grounds of appeal;
- additional supporting documentation that is referred to (which did not form part of the original application);
- a statement that the applicant complied with the prescription in regulation 4(1) with relation to the submission period of 20 days, as set out above.

3.4 Appeals may be lodged with the Minister or MEC responsible for Environmental Affairs against a delegated decision taken by the Department on an application, which may include:

3.5 Any new information must be submitted when submitting the appeal.

4. NOTIFICATION OF A DECISION MADE BY THE DEPARTMENT

4.1 On having reached a decision on an application, the Department must, in writing and within 2 days, notify the applicant of the outcome of the decision, give reasons for the decision, and draw the attention of the applicant to the fact that an appeal may be lodged against the decision.

4.2 The applicant must, in writing, within 12 days after the date the decision was made by the Department:

- notify the registered I&APs of the outcome of the decision,
- provide the Department's reasons for the decision,
- draw the attention of all registered I&APs to the manner in which they can access a copy of the decision (note: it is recommended that a copy of the Department's decision be attached to the notice), and
- draw their attention to the fact that an appeal may be lodged against the decision, and the manner in which to lodge an appeal against the decision.

5. LODGING OF AN APPEAL

5.1 An appellant must submit the appeal submission (the Appeal Questionnaire and Appeal and Response Form) to the appeal administrator, the applicant, and known interested and affected parties within twenty (20) days from:

- the date that the decision for an application for an environmental authorisation or a waste management licence was sent to the registered interested and affected parties, or
- the date that the decision was sent to the applicant, in the case of decisions other than those referred to above.

5.2 An appeal submission must be submitted in writing in the form of the appeal questionnaire annexed to this guideline as "Annexure A" and accompanied by:

- a completed Appeal and Response Form setting out the grounds of the appeal,
- supporting documentation that is referred to in the appeal which did not form part of the documentation considered when the original decision was made, and
- a statement by the appellant to confirm compliance with regulation 4(1).

6. SUSPENSION OF AUTHORISATION

In terms of section 47 (7) of NEMA, an appeal will automatically suspend an environmental authorisation, directive, exemption or other decision taken in terms of NEMA, pending the outcome of the appeal.

7. HINTS ON DRAFTING OF APPEALS

- 7.1 The appeal questionnaire must be submitted together with the grounds of appeal. The grounds of appeal must also be captured in the Appeal and Response Form, annexed hereto as Annexure "B";
- 7.2 The appellant must provide their full contact details, i.e. postal address, telephone and cell numbers, fax number and email address;
- 7.3 If the appellant is representing a company or other body of persons, proof of mandate to lodge the appeal on behalf of the company or other entity must be provided;
- 7.4 The identity of the project which is the subject of the appeal, and the departmental reference number, if known, must be provided;
- 7.5 The issues to be considered by the Minister must be clearly identified;

- 7.6 The grounds of appeal and the facts upon which they rest must be clearly set out. The grounds of appeal must be formulated as averments and not as questions about the project (refrain from material or remarks which do not contribute towards the merits of the appeal);
- 7.7 Make a particular issue the subject of a separate ground of appeal, avoiding overlaps as far as possible. Issues should be grouped logically and in a chronological order to provide the Minister with clear timelines of the events or facts in dispute;
- 7.8 A recommended way of arranging issues is to divide the grounds of appeal into procedural grounds, (for example inadequate public participation) and substantive grounds (why the decision is seen as wrong);
- 7.9 Before submitting the appeal, it is recommended that appellants familiarise themselves with the mandate of the department to avoid raising matters falling outside the competence of the Minister on appeal; and
- 7.10 Sign and date the appeal submission.

8. RESPONDING STATEMENT

- 8.1 The responding statement must also be captured in the Appeal and Response Form, which will be provided by the appeal administrator and will have captured the summarised grounds of appeal. The Responding Statement will need to address each ground of appeal as reflected in the Appeal and Response Form.
- 8.2 No new information submitted in the responding statement will be considered by the appeal authority.

9. APPEAL PANEL

- 9.1 If the appeal authority is of the view that expert advice must be sought or that an appeal panel must be appointed, the appeal administrator must source the expert advice or constitute the appeal panel within 10 days from the date of receipt of such an instruction from the appeal authority. The expert or appeal panel must provide advice to the appeal administrator within 10 days from the receipt of the instruction from the appeal administrator.

9.2 A panel of experts must provide their recommendations on the appeal, to the appeal administrator within 10 days of their appointment.

10. DECISION ON APPEAL

Communication in terms of the Regulation 8 of the National Appeal Regulations provides that a document may be issued by the following methods –

11. TRANSITIONAL ARRANGEMENTS

11.2 Regulation 56(4) of the 2014 EIA Regulations echoes this provision by determining that an appeal lodged in terms of the 2010 EIA Regulations, and which is pending when the 2014 EIA Regulations take effect, must, despite the repeal of the 2010 EIA Regulations, be dispensed of as if those Regulations were not repealed.

12. REQUESTS FOR CONDONATION OR EXTENSION OF TIME PERIODS

12.1 In terms of section 47C of NEMA, the Minister or the MEC has the legal authority to grant an extension or condonation for the submission of an appeal or responding statement which is out of time.

12.2 Applications in terms of Section 47C of NEMA must be in writing, and must afford the other party/parties will be provided with an opportunity to comment on the request;

12.3 When deciding on requests for condonation or extension of time periods, the Minister will consider the following:

- whether good cause is shown to extend a time period,
- the extent of the period requested, or the degree of lateness,
- the factual basis of the motivation for the request and the explanation thereof,
- whether factors outside of the control of the requesting party have played a role,
- potential prejudice in granting or refusing the request to any of the parties.
- whether it is in the interest of justice to grant or refuse the request, and
