I declare that:  
Arnos Johannesburg made some attempts to contact Mr.  
Bullman who was one of the previous owners,  
to find out whether he do have any idea or contact  
numbers of family members of the people who were  
buried on the premises, Strawberry Farm. We could  
find out that he already passed away some years  
ago.  
We questioned all people walking near to where  
the graveyard is but we could not get anyone  
that knows anything about the graveyard.

I know and understand the contents of this declaration.

I have no objection in taking the prescribed oath.

I consider the oath to be binding on my conscience.
