

All building work to be carried out in compliance with all acts of parliament and all regulations and by laws of local authorities having jurisdiction regarding the execution of works shown on these drawings and the contractor indemnifies the employer in this regard. Before making any contractor shall give written notice to the architect stating the reason for such change and requesting instructions in this regard.

The contractor is to check all dimensions and levels on site before any work is set in hand and to report any discrepancies to the architect for rectification, and shall correct at his own cost any work incorrectly performed as a consequence of his failure to observe the instructions. In the event of any such discrepancy, the contractor shall be held responsible for such errors and shall indemnify the architect against any claims, costs, damages, and expenses against the existing structures. Figure dimensions take preference over scaled dimensions. These drawings are copyright.
