

NOTICE OF APPLICATION FOR ENVIRONMENTAL AUTHORIZATION

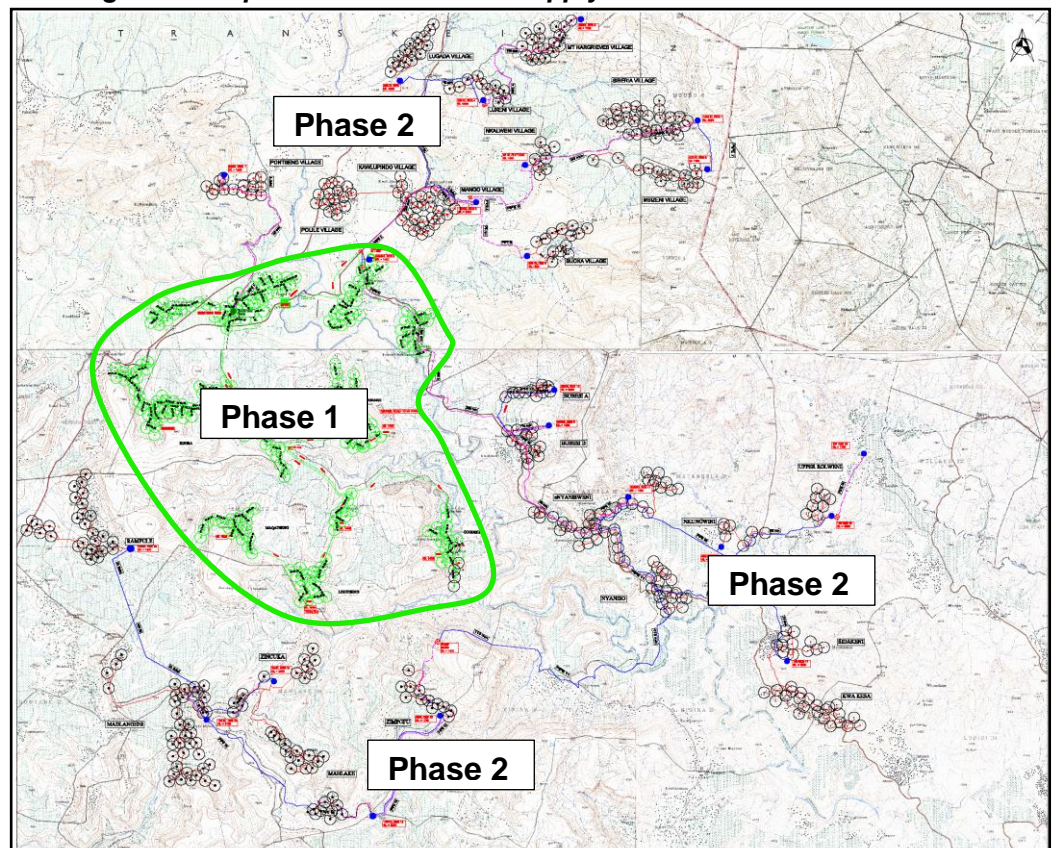

Notice is hereby given that an application for environmental authorization in terms of the EIA Regulations, 2010 has been lodged with the KZN Department of Agriculture, Environmental Affairs and Rural Development (DAEARD). The proposed activity requires an application subject to a basic assessment process and all interested and affected parties (I and APs) are invited to register with the contact person below within 14 days of the issuing of this notice.

Project details: Alfred Nzo District Municipality propose

to implement phase 2 of the Fobane Water Supply Scheme. This will include the development of a water source and reticulation to RDP standards in the villages of Ponseng, Mango, Kwalupindo, Polile, Lugada, Luxeni, Mt Hargrieves, Siberia, Nkalweni, Mbizeni, Sijoka, Bubesi A, Bubesi B, eNyaniswa, Nayaniso, Nkungwini, Upper Rolweni, Sidakeni, Kwa Kesa, Zimpofu, Mahlake, Zincuka, Madlangeni and Rampule. The water will be supplied from the extraction point and WTW at the Kinara Drift. The proposal will include the construction and

implementation of a series of reservoirs, bulk and village reticulation pipelines, and associated infrastructure and equipment (pumps, tanks, valves etc. The listed activities requiring environmental approval are the water course crossings and the placement of infrastructure within 32 metres of the surrounding water courses (rivers, streams, drainage lines, wetlands etc.)
