

# Tsitsikama Wind Energy Facility

## General Layout Map

### Legend

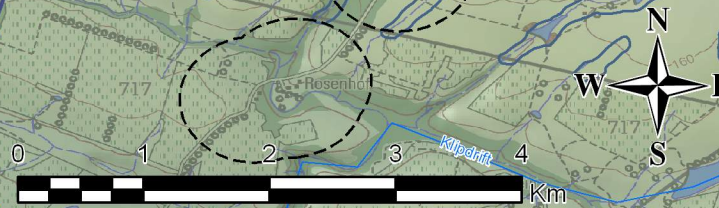

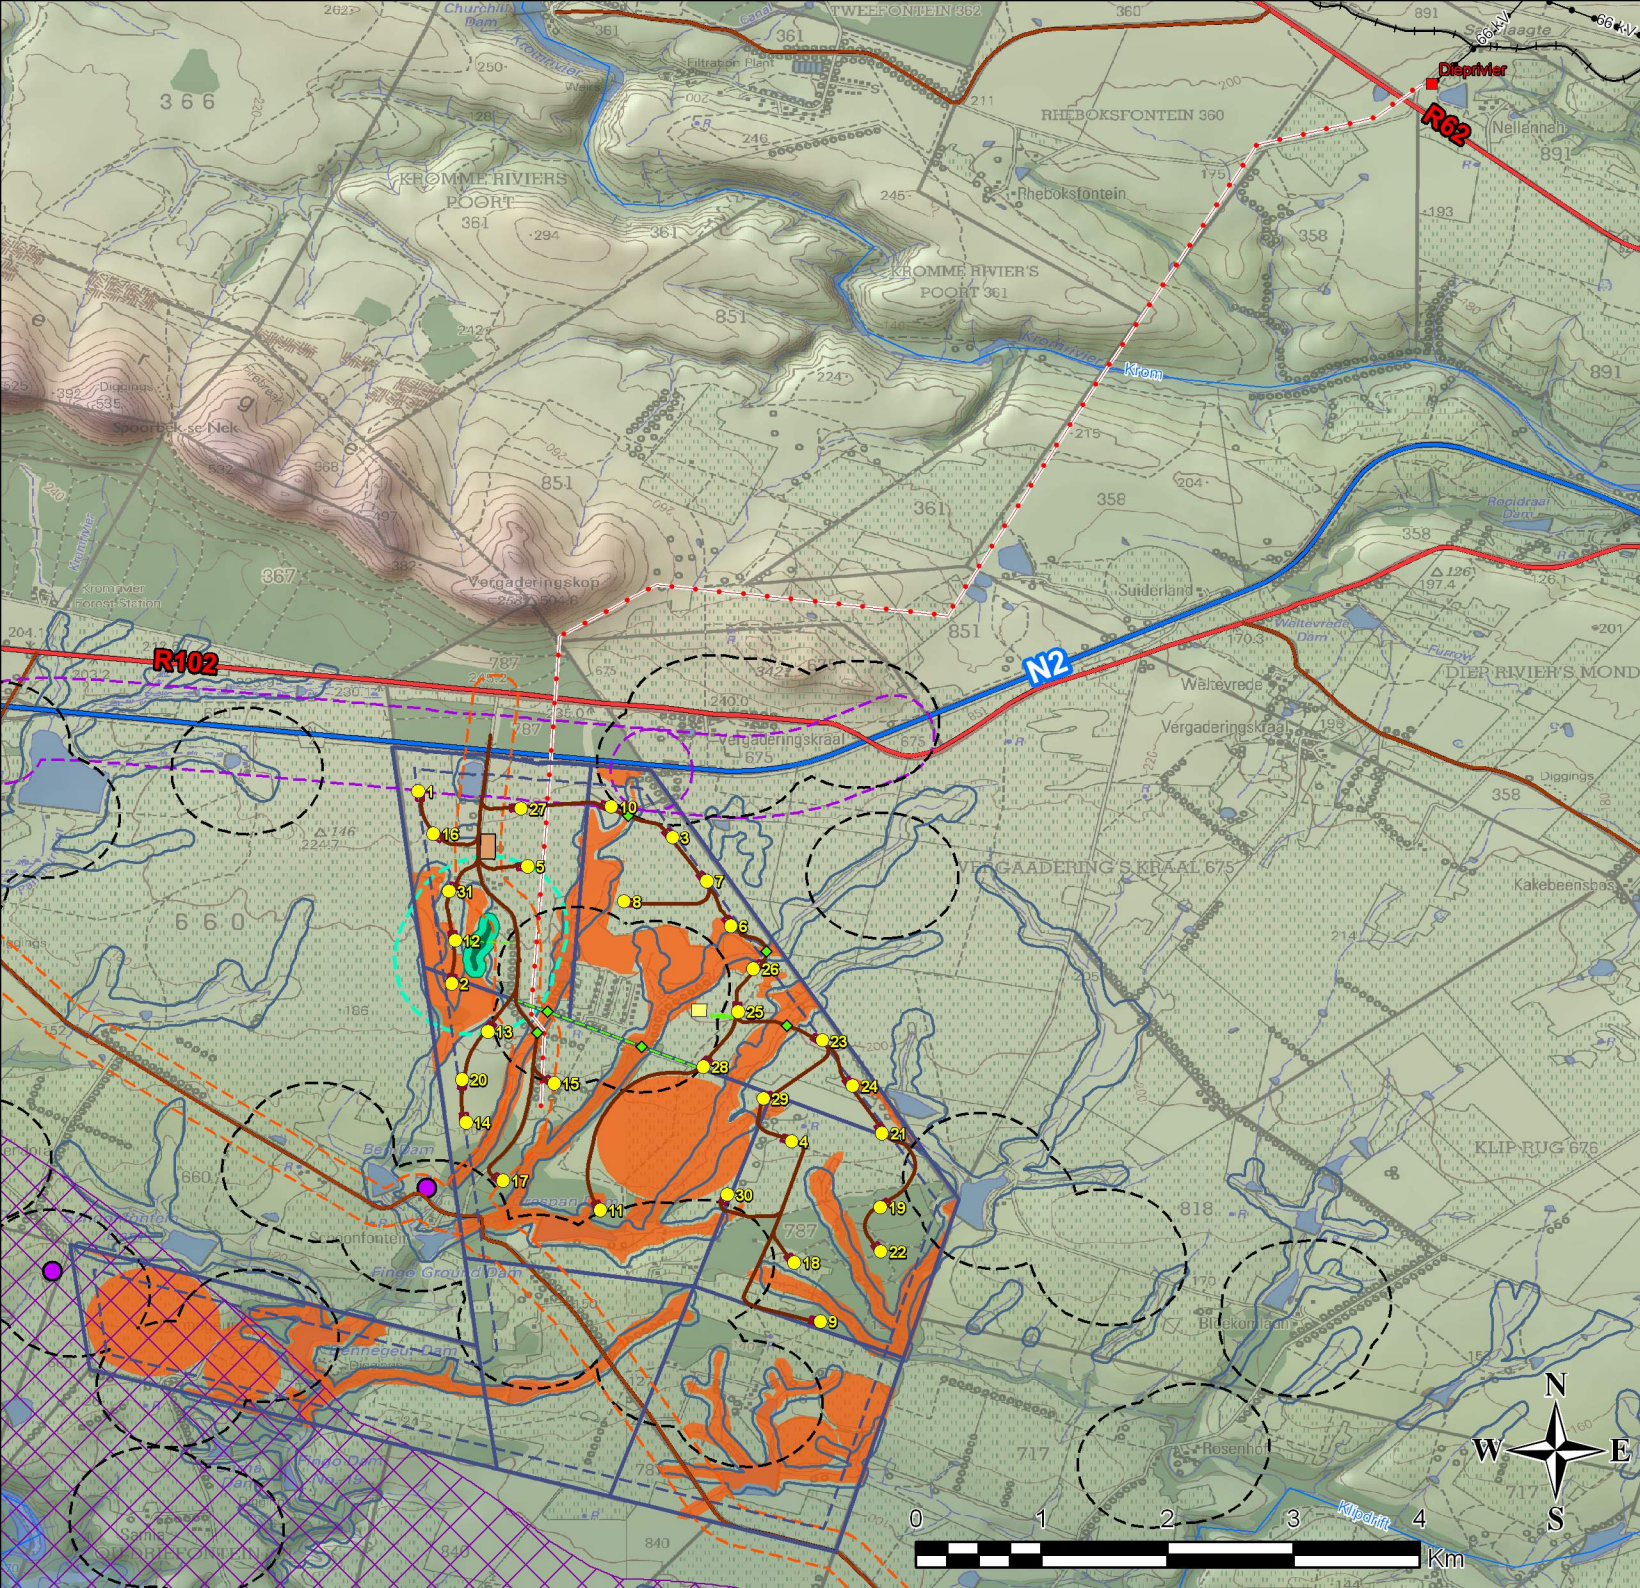

-  National Road
-  Regional Road
-  Secondary Road
-  Perennial River
-  Non-perennial River
-  Farm Portions

### Layout

-  Wind turbine
-  Farm boundary 150m buffer
-  Dwellings 500m buffer
-  Public roads 150m buffer
-  N2 324m buffer
-  River crossings
-  Internal roads
-  Grid onnection - Option A
-  Underground cabling
-  Substation & Offices
-  Temporary Construction Area

### Sensitivity

-  Potential sensitive noise receptor
-  Archaeological cultural landscape
-  Wetlands
-  Wetland 50m buffer
-  Wetland 500m buffer
-  Waterbodies 32m buffer
-  High sensitivity (landuse & ecological)
