Proposed Natural Stone Cladding

SAXON MONET STONE

<http://sandstonesupplies.co.za/product/saxon-monet-stone/>

We may hand select specific colours of the Saxon Monet Stone to closely match the existing stone cladding.

This Stone may be chiseled by hand into appropriate shape and size

Proposed colours to select

This Stone is to be mixed with Salvaged Stone on installation.

Proposed Natural Stone Cladding

SAXON GREY CHUNKS EXTRA SMALL

<http://sandstonesupplies.co.za/product/saxon-grey-chunks-extra-small/>

These grey colours match the existing Stone Cladding installed.

This Stone may be chiseled by hand into appropriate shape and size.

This Stone is to be mixed with Salvaged Stone on installation.

Proposed Natural Stone Cladding

PALA QUARTZITE BUILDING BLOCK DARK
AUTUMN

<http://sandstonesupplies.co.za/product/pala-quartzite-building-block-dark-autumn/>

These dark brown/autumn match the existing Stone Cladding installed.

This Stone may be cut by hand & blade into appropriate shape and size.

This Stone is to be mixed with Salvaged Stone on installation.
