APPROVAL OF WAY LEAVE: CONSTRUCTION OF MV OVERHEAD POWER LINE FROM MULEDANE TO TSWINGA AS SHOWN ON THE ATTACHED PLAN.

Your application as shown on your submitted plan has been approved subject to the following conditions

1. Installation and Maintenance of Services

- The applicant must provide all necessary road signs during work, and you must ensure the safety of all workers as well as the road users
- All Civil Engineering work shall be carried out to the satisfaction of the Thulamela Municipality's Manager
- The applicant will fully comply with all the requirements of the Environmental plan and all procedures as outlined in the Distribution Environmental screening Document (DESD)

2. Cost and Indemnities

The Municipality shall not be involved in any expenditure in connection with and shall not be responsible or liable for:

- The erection of any structure
- Any financial expenditure or loss in the event of the Municipality ordering the removal or shifting or relocation of anything related to this approval
- Any financial responsibility or liability for any claim from the applicant which may occur from lapsing of the approval.

The applicant indemnifies the Municipality against and holds it harmless from any claim or damage pertaining to the possible expansion of the Municipal Road or street in future or damage which may be instituted or suffered by any person, including legal costs incurred because of:

- The erection, use or removal of the structure or the works erected or established by the applicant within the building restriction area
- The applicant or his successor-in title's failure to properly maintain and render safe anything related to this approval or other work, or the noncompliance by the applicant with any condition to which this permission relates.
- The lapsing of approval

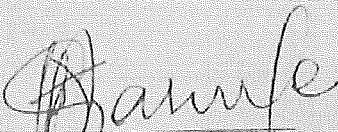

Any action taken by the applicant in connection with the approval shall be regarded as acceptance and compliance with the conditions including indemnity.

Should any damage be caused to the Municipal Road or user of the Municipal Road or property because of the excavation, erection, use or removal of the structure laid, erected, or established by the applicant on the property, such applicant shall be liable for such damage and shall compensate against any claim from a third party.

3. Additional Legal Requirements

This approval does not exempt the applicant from the provision of any other act.

Kind Regards

MUNICIPAL MANAGER
MAKUMULE M.T.
