Tintswalo Manor House...

The Manor House is situated within the private Tintswalo concession, a mere five minute drive from the luxurious Tintswalo Safari Lodge. The property is fenced and safe for families, with a large lawn area for children to play. Manor House is ideal for families or small groups and accommodates 6-10 people. Guests are spoiled with their own private chef, butler and housekeeper to ensure that they are comfortable. A private game vehicle offers guests an intimate bush experience, led by the engaging Tintswalo guides, all of whom are fully accredited and experienced. Our Shangaan trackers have been born and raised in these wildlife areas and are experts in their craft, offering incredible insights into the traditional folklore of the area.
