# Maiden MDC glory the target for Bucs

## Qhogi has built exciting squad of young talent

By Sihle Ndebele

New Orlando Pirates MDC coach Mandla Qhogi trusts his sheer grit and determination will set him apart from all his predecessors who had brief stints at the club but all failed to win the reserve league title.

Qhogi, 34, took charge of the Buccaneers' MDC side before the start of the current campaign, replacing Rayaan Jacobs who joined Cape Town City to become coach Benni McCarthy's second assistant in the senior team.

Qhogi is the fifth Pirates MDC coach in five years. He's following in the footsteps of the likes of Augusto Palacios, Zipho Dlangalala, Benson Mhlongo and Jacobs.

"I know that all the previous coaches didn't last. I want to change that. I believe that my determination and dedication will help me succeed," said Qhogi who joined Pirates in 2005.

"Before being appointed as the MDC coach, I had been working with the Under-12 team. I have experience and I am optimistic I can help the team win their maiden MDC title. I know the culture of Pirates in and out."

Qhogi holds a CAF A coaching licence. He has ambitions to work his way up to one day coach a Premiership side.

"My dream is to coach a top-flight club some time in the next three years. I will be patient and continue with my hard work. Football is my passion," noted Qhogi.

Bucs MDC coach Mandla Qhogi, left, seen here with Rulani Mokwena, aims to bring home the title for the first time. /SUPPLIED

However, the youth mentor is still winless this term after two defeats. He's eager to register his first victory when his charges clash with the 2017 champions Mamelodi Sundowns at Makhulong Stadium on Monday.

"The results have not been forthcoming. We are a new team, we brought in many young players because we are in a building process. The boys are motivated to beat Sundowns, and winning will be the turning point in our campaign."

## Ndengane backing Steve to raise his game

### Defender feels criticism of coach's methods unfair

By Gomolemo Motshwane

Bloemfontein Celtic defender Alfred Ndengane feels that working with Steve Komphela could take his game to the next level.

The 31-year-old has been a pillar in the Celtic defence for the last four years and is perhaps one of the most underrated defenders in the Premier Soccer League (PSL).

With Komphela having been a top defender in his playing days, Ndengane is eager to learn from him and become the best in the land.

"If you are coached by someone who has played football, and [in] your position, is a plus

for me," Ndengane said. "He knows what we go through as defenders because he has been there. I will listen to the coach's instructions and become a better player."

Komphela had a barren three seasons at Amakhosi that ended unceremoniously in April, when he was fired.

After Giovanni Solinas was appointed as a replacement, Chiefs goalkeeper Itumeleng Khune revealed some players failed to grasp Komphela's methods.

Ndengane came to his coach's defence, saying that if a footballer does not understand something then they should ask.

"People see things differently. If a person does not understand what he is trying to do, the door is open to ask if you

don't understand." The Free State club have had an outstanding start to the season, where they are second in the standings with 13 points from four wins and a draw.

Phunya Sele Sele take on Maritzburg United at the Dr Molemela Stadium on Sunday (3pm). Celtic expect a tough outing when they host the Team of Choice.

"It's going to be a difficult game because they will be fighting to get out of the table. They are right now and we are second on the table. We prepare ourselves for [match]. The coach in and changed that that we concert minutes. After second half start of second teams concert"
