EXHUMATION AND RELOCATION OF GRAVES AT VAALBULT MINE

Herewith confirmation is given that notice of our intention for the exhumation and relocation of graves located portion 1 of the farm Vaalbult 31 T near Carolina was placed, in a local national newspaper and on site.

More than 60 days after these notices was placed no respondents came forward to claim any of the gravesites, thus we believe the graves to be and remain unknown.

A handwritten signature in black ink, appearing to read "MARJNS DE BEER".
