NOTICE OF SCOPING AND ENVIRONMENTAL ASSESSMENT PROCESS FOR: ENVIRONMENTAL AUTHORISATION, WASTE LICENCE AND AN ATMOSPHERIC EMISSIONS LICENCE

In terms of the National Environmental Management Act (Act No. 107 of 1998) as amended ("NEMAA") and the NEMA 2010 EIA regulations, GN R 543, 544, 545 and 546 published in Government Gazette 33306 on the 18 June 2010 (as amended), this serves as notification that a Scoping and Environmental Assessment process is being undertaken for the project described herein.

Die Boerarn Venter Trust (project applicant) is proposing the establishment and operation of a composting facility and fertiliser processing plant on Farm 715 Division Uitenhage, MR 00470 (Sunlands Road), Nelson Mandela Bay Municipality. The project, referred to as Venter Fert, entails the establishment and operation of a composting facility (approximately 10ha) and fertiliser processing plant (approximately 0.5ha). The applicant proposes to produce fertiliser primarily from the composting of poultry litter, using an aerobic process. Farm 715, approximately 377.0162 ha, is currently zoned for agricultural use and is being used for game farming.

In terms of NEMA, (Act No. 107 of 1998) as amended, and the NEMA 2010 EIA regulations, GN R 543, 544, 545 and 546 published in Government Gazette 33306 on the 18 June 2010 (as amended), the project requires Scoping and Environmental Impact Assessment, as it triggers the following listed activities:

GN R 544. 8 and 23 (ii); GN R545. 5. and 26; and GN R 546. (a) (ii) (ee); 13. (1) (a); 14. (2) (a) i and 19 (a) (ii) (ee)

The project also requires a Waste Licence in terms of the NEM: Waste Act (Act No. 59 of 2008) in terms of GN R 718 published on the 3 July 2009, Category A listed activities No (17) and (18).

The decision making authority for the NEMA 2010 EIA listed activities and the Waste Licence is the Provincial Department of Economic Development and Environmental Affairs (DEDEA), Cacadu Region. Full Scoping and EIA will be applied to these listed activities and applications for such have been submitted to the DEDEA. Public Process Consultants has been appointed as the independent Environmental Assessment Practitioner to undertake the Scoping and EIA process for the project.

In terms of the National Environmental Management: Air Quality Act (39 of 2004), GN 248 published in Government Gazette 33064 on the 21 March 2010, lists activities which require an Atmospheric Emissions Licence (AEL). An AEL is required in terms of Category 10: Animal Matter Processing. The licensing authority for the AEL is the Nelson Mandela Bay Municipality (NMBM). Upon completion of the Air Quality Specialist Assessment an application for an AEL will be submitted to the NMBM.

Interested and affected parties are required to register their interest on the database for the project. Clearly state any interest you may have in this matter as well as raise issues for inclusion in the Draft Scoping Report, and submit within 30 days of this notice to the consultant indicated below. Please provide your full name, address and contact details (phone no, cell and email) to Sandy Wren, Public Process Consultants, PO Box 27688, Greenacres, 6057, phone (041) 374-8426, fax (041) 373-2002, email sandy@publicprocess.co.za.

KENNISGEWING

Kennisgewing van Omvangbepalings- en Omgewingsevaluasieproses vir Omgewingsmagtiging, Afvallisensie en 'n Lisensie vir Atmosferiese Emissies

Hierdie dien, kragtens die Wet op Nasionale Omgewingsbestuur (Wet nr. 107 van 1998) ("NEMAA"), soos gewysig, en die NEMA 2010 OIS-regulasies, GN R 543, 544, 545 en 546 gepubliseer in Staatskoerant 33306 op 18 Junie 2010 (soos gewysig), as kennisgewing dat 'n Omvangbepalings- en Omgewingsevaluasieproses onderneem word vir die projek wat hierin beskryf word.

Die Boeram Venter Trust (projek-applikant) stel die vestiging en bedryf van 'n komposfasiliteit en bemestingstofverwerkingsaanleg op Plaas 715 Afdeling Uitenhage, MR 00470 (Sunlands-pad), Nelson Mandelabaai-munisipaliteit voor. Die projek, verwys na as Venter Fert, behels die vestiging en bedryf van 'n komposteringsfasiliteit (ongeveer 10 ha) en bemestingstofverwerkingsaanleg (ongeveer 0,5 ha). Die applikant is van voorneme om bemestingstof te vervaardig, hoofsaaklik van die kompostering van pluimveemis, deur gebruik te maak van 'n aërobiese proses. Plaas 715, ongeveer 377,0162 ha, is tans vir landbougebruik gesoneer en word vir wildboerdery gebruik.

Die projek benodig, kragtens NEMA (Wet nr. 107 van 1998), soos gewysig, en die NEMA 2010 OIS-regulasies, GN R 543, 544, 545 en 546 gepubliseer in Staatskoerant 33306 op 18 Junie 2010 (soos gewysig), 'n Omvangsbepaling en Omgewingsimpakstudie, aangesien dit die volgende gelyste aktiwiteite behels:

GN R 544. 8 en 23(ii); GN R545. 5. en 26; en GN R 546. (a)(ii)(ee); 13. (1)(a); 14. (2)(a) i en 19 (a)(ii)(ee)

Die projek vereis ook 'n Afvallisensie kragtens die NEM: Wet op Afval (Wet nr. 59 van 2008) kragtens GN R 718 gepubliseer op 3 Julie 2009, Kategorie A gelyste aktiwiteite nr. (17) en (18).

Die besluitnemingsowerheid vir die NEMA 2010 OIS gelyste aktiwiteite en die Afvallisensie is die Provinsiale Departement van Ekonomiese Ontwikkeling en Omgewingsake (DEDEA), Cacadu-streek. 'n Volledige Omvangsbepaling en OIS sal op hierdie gelyste aktiwiteite van toepassing wees en aansoeke daarvoor is by die DEDEA ingedien. Public Process Consultants is as die onafhanklike Omgewingsevaluasiepraktisyn aangestel om die Omvangsbepaling en OIS-proses vir die projek te onderneem.

Kragtens die Wet op Nasionale Omgewingsbestuur: Luggehalte (39 van 2004), lys GN 248 gepubliseer in Staatskoerant 33064 op 21 Maart 2010, aktiwiteite wat 'n Lisensie vir Atmosferiese Emissies (AEL) vereis. 'n AEL word kragtens Kategorie 10: Dierestofverwerking vereis. Die lisensiëringsowerheid vir die AEL is die Nelson Mandelabaai-munisipaliteit (NMBM). 'n Aansoek vir 'n AEL sal by voltooiing van die Luggehalte-spesialisevaluasie by die NMBM ingedien word.

Belangstellende en geaffekteerde partye word versoek om hul belang op die databasis vir die projek te registreer. Meld duidelik enige belang wat jy in hierdie saak mag hê en opper vraagstukke vir insluiting in die Konsep-omvangbepalingsverslag, en dien dit binne 30 dae van hierdie kennisgewing by die onderstaande konsultant in. Verskaf asb. jou volle naam, adres en kontakbesonderhede (tel.nr., sel en e-pos) aan Sandy Wren, Public Process Consultants, Posbus 27688, Greenacres, 6057, tel. 041 374 8426, faks 041 373 2002, e-pos: sandy@publicprocess.co.za.
