Pretoria, 0083

DEA Ref. No.: 14/12/16/3/3/2/1120

02 April 2019

NOTIFICATION OF SUBMISSION OF THE FINAL SCOPING REPORT

Notification of Submission of the Final Scoping Report for the Proposed Paulputs Wind Energy Facility and Associated Infrastructure including Grid Connection, Northern Cape Province

Paulputs Wind Energy Facility (RF) (Pty) Ltd is proposing the up to 300 MW Paulputs Wind Energy Facilities (WEF), and associated infrastructure including grid connection (the Proposed Development), located approximately 50 km from Pofadder in the Northern Cape Province. Arcus Consultancy Services South Africa (Pty) Ltd ('Arcus') has been appointed to act as the independent environmental impact assessment practitioner (EAP) to undertake the environmental impact assessment (EIA) process for Environmental Authorisation under Chapter 5 of the National Environmental Management Act, 1998 (Act 107 of 1998 - NEMA) as amended, for the Proposed Development. The Environmental Impact Assessment (EIA) process that is being followed is currently in the Scoping Phase.

Please find enclosed **one electronic (USB)** and **one hard copy** of:

- Volume 1 - Final Scoping Report for the Proposed Paulputs WEF and Associated Infrastructure including Grid Connection, Northern Cape Province
- Volume 2 - Public Participation Report
- Volume 3 - Specialist Scoping Reports

The **Final Scoping Report** is available for public review at the following locations:

- Khai-Ma Local Municipality, Pofadder
- Kakamas Library, Kakamas
- Website: www.arcusconsulting.co.za

Following submission of the Final Scoping Report, the DEA will either accept or reject the report. If the Final Scoping Report is accepted by the DEA, the EIA Phase of the project will commence. All registered I&APs will receive further opportunity to participate in the EIA phase. A Draft Environmental Impact Assessment Report will be made available for further comment. This is anticipated to take place in July 2019.

Kind Regards,

Ashlin Bodasing
