Subject: Hydra B Solar Renewable Energy Development - Request for Pre-Application Meeting

Good day,

Please find attached pre-application meeting request and public participation plan for the proposed Hydra B Renewable Energy Development in the Northern Cape Province. Please

advise a convenient method of sending the DFFE Screening reports as the project consists of 30 projects and the file is too large to submit via email.

Please do not hesitate to contact me should you have any queries regarding the project or the application.

Thank you and kind regards,
