NOTICE: MITIGATION OF AFFECTED HUMAN REMAINS IN GRAVES

Notice is hereby given that:
 Mafu's funeral home, on behalf of South32 SA Coal Holdings Proprietary Limited's Klipspruit Colliery intend applying in terms of Section 35 and 36 of the National Heritage Resources Act (Act 25 of 1999); as well as the National Health Act (61 of 2003), section 2(1) of the Graves and Dead Bodies Ordinance 1925 (Ordinance no 7 of 1925) as well as the relevant local regulations to the:

Mpumalanga Provincial Government, the South African Heritage Resources Agency (SAHRA) or their legislated provincial agency and the eMalaheni Local Municipality for approval to exhume and re-inter in a local cemetery, or to mitigate by other means, the remains of graves buried at: Farm: Tweefontein 328 JS of Klipspruit Colliery

The human remains will be exhumed from their current place of burial and reburied in a new location as per the request of the deceased's families. Mafu's funeral home is urgently looking for the owners of the graves next to Dawo Lodge in Ogies.

The following names were identified on the graves:

- Abraham Petrus Marais
- Pestrus Johannes Swanepoel
- Theron
- Catharina Maria Cronje

If you know any of the above mentioned names or know the relatives, please contact Wonderful Mafu on 082 856 7854
 Tel: 013 007 021

SFISOTHANDO ENGINEERING & CONSULTANTS

POSITION: Auto Electrician

We are looking for an experienced Auto Electrician to join our team!

We are looking for a skilled Auto electrician to maintain and repair vehicles, TMM and other equipment in his area of responsibility. You will be responsible for troubleshooting issues and fixing them aiming to maximum reliability and functionality.

An excellent auto electrician has good eye-hand coordination and manual dexterity. They are well-versed in complex mechanical or electrical systems of vehicles and have excellent problem-solving abilities. They must also be good communicators to provide advice to customers.

Responsibilities

- Inspect vehicle engine and mechanical/electrical components to diagnose issues accurately
- Inspect vehicle computer and electronic systems to repair, maintain and upgrade
- Conduct routine maintenance work aiming to vehicle functionality and longevity
- Schedule future maintenance sessions and advise clients on good vehicle use
- Repair or replace broken or dysfunctional parts and fix issues (e.g. leaks)
- Provide accurate estimates (cost, time, effort) for a repair or maintenance job
- Keep logs on work and issues
- Maintain equipment and tools in good condition
- Good housekeeping and participate in the Health and Safety Program

Requirements

- Proven experience as auto electrician
- Excellent knowledge of mechanical, electrical and electronic components of vehicles
- Working knowledge of vehicle diagnostic systems and methods
- Ability to handle various tools and heavy equipment
- Willingness to observe all safety precautions for protections against accidents, dangerous fluids, chemicals etc.
- Excellent physical condition
- Matric diploma and Certification from a vocational school or completion of apprenticeship is required.
- Any additional motor trade courses and experience will be considered
- A successful candidate is subjected to qualification verification.

Should you meet the requirements for this position, please email your CV to careers@masemanzimining.co.za

Correspondence will only be conducted with short listed candidates. Should you not hear from us within 21 days, please consider your application unsuccessful.

The closing date for this position is 26 March 2021
