Sir

**USEAGE OF WATER USE ENTITLEMENTS: MTHAYIZA FARMING (PTY) LTD TO TAU PELE CONSTRUCTION (PTY)
LTD: N4 (TOLL GATE TO MALELANE)**

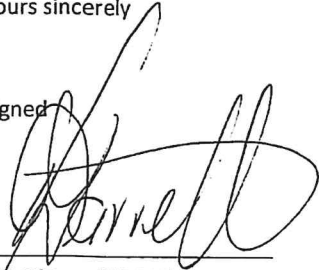

The board acknowledges your application for the usage of drainage water from the farm Mzata.

Water will be abstracted at the indicated point on the property as stated in the letter received from Mthayiza Farming. All conditions set out by Mthayiza Farming must be met and the Crocodile River Major Irrigation does not take any responsibility between the two parties.

No water may be abstracted directly from the canal or from the Crocodile River unless a temporary transfer is received from Tau Pele for this purpose.

Yours sincerely

Signed

Good day,

Please note that Mthayiza Farming gives Taupele construction permission to abstract water from the drainage water on the farm Mpata. This water is not abstracted directly from the canal and therefore cannot be seen as part of the water quota.

Mthayiza Farming also instructs Taupele construction to conduct there abstraction in an environmentally friendly manner as no pollution will be tolerated. This area is part of the Mpata farm where active farming activities are taking place and no unauthorized movement on the farm is allowed.

Taupele Construction is hereby also instructed to drive slowly and safely on the property. Taupele Construction will be liable for any damage to property as well as injuries and loss of live due to unsafe practices.

Mthayiza Farming has the right to, at any time, to cancel this permission granted.

Regards.

General Manager
