Reference is made to the proposed Shopping Centre and Filling Station on Portion 191 of the Farm 15988, Wembezi. NS Environmental is aware that the current application to AMAFA expires on 31 May 2022. The outstanding information is the Phase 2 HIA Report.

The applicant confirms that an Architect has been appointed to complete the Phase 2 HIA. The report will be available in 3-4 weeks from today, 31 May 2022. NS Environmental would like to plead to AMAFA to extend the date of expiry for this application to 30 June 2022 to allow for the submission of the report.
