**From:** Meyer, Anton [REDACTED]  
**Sent:** 18 September 2018 11:22 AM  
**To:** Savannah Environmental Public Process  
**Subject:** RE: Namas & Zonnequa Wind Farms- Notification of Basic Assessment Process

Hi Rozanne

De Beers Namaqualand Mines (DBNM) has no objection to the development.

As you already know, DBNM owns Farm Sandkop 322. Can you please advise what system will be in place to ensure that disturbances caused by the proposed powerline crossing over the farm are properly marked to avoid confusion with existing disturbances caused by diamond mining operations?

Regards,

**Subject:** Namas & Zonnequa Wind Farms- Notification of Basic Assessment Process

Dear Stakeholder,

Two 140MW wind farms are proposed to be developed on adjacent sites within the Springbok REDZ, approximately 20km south of the town of Kleinsee in the Northern Cape. The wind farm are known as the Namas wind Farm and the Zonnequa Wind Farm and are within the Nama Khoi Local Municipality and the Namakwa District Municipality. A suitable project site for the development of each of the wind farms has been identified by the project development companies.

Savannah Environmental has been appointed to undertake the Basic Assessment Process for the Namas and Zonnequa Wind Farms.

Please refer to the attached Notification letter and Background Information document for further information regarding the project.

Please do not hesitate to contact us if you have any quires in this regards.

Kind regards,

**Rozanne Els**

Dear Natalie,

Thank you so much for sharing the project information with other community representatives.

You are correct, the purpose of the focus group meeting will be to present the project and the key findings as documented in the Basic Assessment Report with representatives of various community groups in Kleinsee.

Looking forward to hear from you all.

Kind regards

Hi, I am sending this on to you, if you can think of any other key players, please send it on, kindly fill in reply form as requested. I think the intention is not to have the whole town at the focus group meetings.....

Q, Herman, I am adding you as representatives for the SCC, I will also reply, but should someone not be able to attend, then there are others 😊

Nicolene, I hope this is what you wanted?  
thanks

**Subject:** Namas & Zonnequa Wind Farm Projects: Notification of Basic Assessment Process

Dear Natalie,

Thank you so much for taking my call yesterday and this morning!

As discussed, please find herewith information regarding the proposed projects that I believe will assist you with my request as to the various Forums / Groups established in Kleinsee to be representative of the Kleinsee community (i.e. businesses, tourism, community-based organisations (ratepayer's association / property association), etc). We are planning to hold focus group meetings toward mid-October 2018 in Kleinsee.

Two 140MW wind farms are proposed to be developed on adjacent sites within the Springbok REDZ, approximately 20km south of the town of Kleinsee in the Northern Cape. The wind farms are known as the Namas wind Farm and the Zonnequa Wind Farm and are within the Nama Khoi Local Municipality and the Namakwa District Municipality. A suitable project site for the development of each of the wind farms has been identified by the project development companies.

Savannah Environmental has been appointed to undertake the Basic Assessment Process for the Namas and Zonnequa Wind Farms.

Please refer to the attached Notification letter and Background Information document for further information regarding the project.

Please do not hesitate to contact us if you have any queries in this regards.
