The CEO
SAHRA

Letter in support of permit application by Jayson Orton, for sites on Zwart Boois Berg Annex and numbered ZBBA1, ZBBA2 and ZBBA3.

I am unable to print the permit application sent on low resolution PDF scan.

I am therefore indicating approval by way of this letter on behalf of the McGregor Museum.

We will provide accession numbers for the material for its eventual submission for curation at the Museum.

We also usually create National Site Numbers using the system developed for Regional Recording Centres, which also serves as file reference at the McGregor Museum.

Yours faithfully

Dr David Morris
Head of Archaeology
