Dear Ragna,

I would like to inform you that there was an error with 3 of the catalogue numbers on the permit (ID 14684). This was due to an error in transcribing handwriting and does not directly affect the specimens which were approved by Iziko. The errors are as follows:

PQL- 21562 (recorded as PQL-21567)
PQL- 1252 (recorded as PQL-1256)
PQL- 9270 (recorded as PQL-1270)

Will it be acceptable for us to still release these specimens for sectioning by the applicants? We will attached an addendum indicating the discrepancy.

Kind regards,
Sarena
