# PROPOSED UPGRADE OF THE HANS HOHEISEN WILDLIFE RESEARCH STATION, MPUMALANGA

NEAS Ref: DEA/EIA/0001347/2012 Reference: 14/12/16/3/3/3/48

#### ENVIRONMENTAL IMPACT ASSESSMENT PROCESS

### APPENDIX B: OTHER INFORMATION

- B.1 Land Owner Confirmation
- B.2 Description of Biosafety Levels
- B.3 Laboratory Safety Manual of the Department of Veterinary Tropical Diseases (Faculty of Veterinary Science, University of Pretoria)
- B.4 Laboratory Chemical Disposal Procedure (Oricol Environmental Services)
- B.5 Medical Waste Disposal Procedure (Oricol Environmental Services)
- B.6 Independent Opinion on the Potential Disease Risk of the Proposed Upgrade of the Hans Hoheisen Wildlife Research Station
- B.7 Environmental Baseline Report for the Proposed Upgrade of the Hans Hoheisen Wildlife Research Station
- B.8 Cursory Investigation of Alternative Technologies for the Treatment of Hazardous Waste Streams at the Hans Hoheisen Wildlife Research Station
- B.9 Viewshed Assessment of the Proposed Upgrade of the Hans Hoheisen Wildlife Research Station

## Prepared for submission to:

The Department of Environmental Affairs

## Prepared by:

#### On behalf of:

The University of Pretoria
