Fax No: \_\_\_\_\_

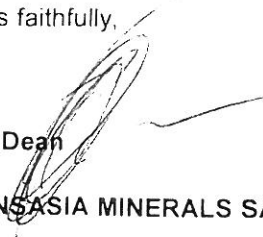

Cell No: 072 136 3400

As per requirements of Section 16(4) of the Act, you are hereby notified of the Company's application and are invited to comment on the proposed prospecting activities as part of the consultation process described above. Such comments are incorporated in the Environmental Management Plan (EMP) for these properties which must be compiled and submitted to government for approval. In this regard, it would be appreciated if you could complete the attached form and questionnaire to confirm your contact details such that any specific issues can be identified and addressed. In this way negative impacts on the property and the environment in general can be kept to a minimum. These forms should be returned to this office at the address above, by fax or email, on or before **31 May 2012** if possible.

Any comments can also be referred to the Regional Manager: Mineral Regulation at the Department of Mineral Resources, (KwaZulu - Natal Region), Private Bag X 54307, Durban, 4000. In terms of Section 16(4) comments in this regard are required to be lodged with the Regional Manager by **31 May 2012**. Please include the reference number of this application **KZN 30/5/1/1/2/10217 PR**.

Thank you for your co-operation.

Yours faithfully,

  
Rick Dean
