The Municipality acknowledges receipt of your request of relocation of graves.

Permission is therefore granted for the relocation of the graves to the site you have identified. Please ensure that the following conditions are adhered to for the process of exhumation:

1. All precautionary measures shall be followed when handling the remains of the body
2. Personal protective clothing to be used through-out the process
3. Disinfection of the grave with chlorine lime must be done
4. Environmental Health Practitioners to be present from the start until the process is complete
5. Failure to adhere to the above would render the process illegal
