RE: PERMIT DEVIATION AND EXTENSION

Ref: 10/3Dbn/02 11/596; Permit Number 11-413a

Dear Sir / Madam,

Attached please find our application for DEVIATIONS TO APPROVED PLAN No 238-05-12 TO EXISTING RESIDENCE and a kind request for further extension of the above mentioned AMAFA permit we are in possession, as its expiry date is 13th March 2013.

At the moment the work on the site has been stopped, pending application outcome. An order for the sliding folding door / replacement of the double glass door on SE elevation, has been placed by the owner and soon will be ready. Unfortunately he hasn't informed me in time for his intentions, so to ask for deviation permit earlier.

Attached here on page 2 are some photos taken on 18 April 2013 as a proof that the execution of the proposed deviations is waiting the application outcome.

Sincerely

A handwritten signature in black ink, appearing to be "E. V. Arounova".
