Grave Exhumation Sepedi/English site notice and advert Update

Since we started the process in 07 October 2020 in terms of advertising/consultation as required no one has come forward to claim the graves or indicated that they have an issue in the exhumation and relocation of the graves.

During the month of October 2020, a Sepedi and English site notices were placed at different public areas within Senwabarwana and advert was placed. Ever since the adverts and site notice were published Molshe Business Solution has not received any information /objection for the graves not to be removed.

Kind Regards

Disego Moloto
