**ROADS & DRAINAGE SECTION**  
Subject to all laws relating to  
level, being in force at the time  
of the issue of this plan and to  
any other laws or regulations  
which may be in force at the  
time of the issue of this plan.  
Water tables (marked in this plan)  
shown are approximate and may be  
changed when necessary for  
purpose of the building.  
Requirements of this section apply  
to all buildings, which  
require any wall, fence, gate,  
street, or in close proximity thereof,  
to conform to a 1 in 100 level,  
at such street.
