**Subject:** 8 Grattan Place

Mohammed

The house has individual and group character. None of the Grattan Place houses are listed however. I note that the area is zoned Maisonette, providing for densification.

I would prefer if the proposal retained some element of clay tiling on the street elevation if possible, to relate to the neighbouring buildings for as long as these survive.

However I do not want to pre-empt consideration by Amafa, and will be guided by their opinion.

Regards

Arthur
