To whom it may concern

This letter serves to confirm that I Cllr Suraya Reddy of ward 33 would like to state that I have visited and been informed in early 2023 about the termite problem at St Anthony's Catholic Church Cnr Jabu Ndlovu and Retief Street . The church was not aware of the AMAFA regulations and has already been in financial distress for years . The church is currently having the termite problem resolved before any more damages or a life is lost. The Church has submitted an application to AMAFA as guided . Please as the Ward Councillor for the area the church is grounded at Im am humbly appealing to AMAFA not to charge a penalty or fine. I have had a meeting with the Church leadership and it was ascertained that no one had an understanding or guidance of how these regulations work. Also with the church already in financial distress the penalty is unaffordable. Please feel free to contact me to discuss further.

Thank you for your indulgence in this matter.

Kind Regards

Cllr Suraya Reddy Ward 33
