Dear Mr Fourie

PERMIT: No. 80/11/04/001/51

Thank you for settling your permit application fee with SAHRA. I attach as requested a permit to undertake mapping and surface collection of archaeological material at sites DS001 (Tower DN217), a Middle Stone Age site, and DS002 (Tower DN233), a Colonial period site, on Portion 4 of the farm Nietgedacht 242JQ and Portion 239 of the farm Hartbeespoort 419 JQ, North West Province. We have noted these sites will be directly impacted by the proposed 400kV Dinaledi-Spitskop transmission line.

We wish you every success with the project.

Yours sincerely

Mrs Nonofho Ndobochani
