PERMIT: No.80/06/11/001/51

I attach as requested a permit for the rescue of human remains eroding in an old road at Ga-Chuene village in the Polokwane District, Limpopo Province. SAHRA understands that the community had expressed concerns about the exposed burial hence the need to have it relocated.

Please ensure that the conditions are reviewed before work commences. In particular we wish to express the importance of having finalized all necessary arrangements for relocation of the human remains before commencing exhumation work.

SAHRA wishes you success with the project.

Sincerely

Mrs Mary Leslie
