Dear Mr Fourie

PERMIT: No. 80/11/04/002/51

Thank you for settling your permit application fee with SAHRA. I attach as requested a permit to undertake mapping and limited test excavation of an Iron Age site, SM001 (Tower 198), an early and Middle Stone Age site, SM002 (Tower 190-191), SM003 (Tower 139), on the farms August Mokgatle 302 and Portion 3 of the farm Kafferskraal 133JQ, in the Rustenburg District, North-West Province. We have noted these sites will be impacted by the placement of pylons for the proposed 400kV Spitskop-Marang transmission line.

The SAHRA APM Unit wishes you every success with the project.

Yours sincerely

Mrs Nonofho Ndobochani
