Dear Dr Chazan

EXPORT PERMIT: No.80/09/05/003/52

I attach as requested a permit for the export of samples from Wonderwerk Cave, Kathu Pan and Kathu Townlands for identification, analysis and dating. Please refer to the details and conditions of the permit before sending these samples abroad. SAHRA has noted some of the samples will be for permanent export and has noted this in the details of the permit. We have also noted that the samples will be exported to various scientists in Israel (A Matmon, H Ron and N Porat) and the USA (Goldberg).

The SAHRA APM Unit wishes you success with the project.

Yours sincerely

Mrs Mary Leslie
