**PERMIT:** No.80/07/01/004/51

Thank you for settling your permit fee with SAHRA. I attach as requested a permit for the investigation of 12 possible graves that will be impacted by the Beau Rivage residential development, and should evidence of graves be identified, the relocation of these graves to the Hartebeespoort Municipal Cemetery. SAHRA understands that permission for the exhumation and reburial has been received from the Madibeng Municipality. Where possible as much information needs to be garnered as to the layout of the graves should any descendants be identified after the relocation of the graves.

SAHRA wishes you every success with the project.

Sincerely

Mrs Mary Leslie
