Dear Mr Roodt

PERMIT: No.80/07/05/004/51

Thank you for settling your permit application fee with SAHRA. I attach as requested a permit the rescue of human skeletal remains disturbed by a mechanical excavator during construction of a water reticulation project at Matoks. SAHRA notes that the traditional authority of the Matseke village have agreed to liaise wit the developer and local community to reinter the excavated human skeletal remains.

SAHRA wishes you success with the project.

Yours sincerely

Mrs Mary Leslie
