Dear Dr Wurz

PERMIT: No.80/08/08/005/52

I attach as requested a permit for the temporary export of a lower right human third molar (SAM AP 6368) from the collections of IZIKO SA Museum, Cape Town, to Professor Jean-Jacque Hublin at the Max Planck Institute for Evolutionary Anthropology for CT scanning for purposes of identification. The SAHRA APM Unit has noted that the material will be hand carried to Leipzig, Germany, by Dr Teresa Steele on 8 August 2008. It has been noted that the material will be hand carried back to South African next year.

The SAHRA APM Unit wishes you every success with the project.

Yours Sincerely

Mrs Mary Leslie
