Dear Mr Morris

TEMPORARY EXPORT PERMIT: No.80/10/011/005/52

I attach as requested a permit for the temporary export of a chalcedony bladelet with traces of mastic from Border Cave (Layer IBS Lower Square W21), curated at the McGregor Museum, to Dr Villa at the University of Colorado, USA. It is understood the material will be photographed with a Multifocus microscope in Lucinda Backwell's laboratory, prior to it being sent to the University of Pisa, Italy, for chemical analysis.

The SAHRA APM Unit wishes you every success with the project.

Yours sincerely

Mrs Nonofho Ndobochani
