PERMIT: No. 80/06/10/005/51

I attach as requested a permit to allow for the Phase 2 mitigation at a small dump that will be impacted by the development of a proposed hotel at the Big Hole, Kimberley, Northern Cape.

SAHRA understands that work will entail mitigation to assess, sample (excavate) and date the archaeological and historical residues associated with the small dump that will be impacted by the development of a proposed hotel, as per recommendations in the Phase 1 report by Mr Morris.

SAHRA wishes you success with the project.

Sincerely

Mrs Mary Leslie
