Dear Mr Gibbon

PERMIT: No.80/07/04/006/51

Thank you for settling your permit application fee with SAHRA. I attach as requested a permit to excavate in the Earlier Stone Age layers as indicated in the map accompanying the permit application, at Canteen Kopje, Barkley West District, Northern Cape Province.

SAHRA understands that George Michael Leader will be the person directing the excavations and will be on site full-time. In addition, it has been noted that this project is a collaborative project with David Morris and Michael Chazan, who will be working in another area of the site as indicated in the map accompanying their simultaneous application and particularly in the Fauresmith Hutton Sands.

Please review the conditions of the permit carefully before commencing work on site.

SAHRA wishes you success with the project.

Yours sincerely

Mrs Mary Leslie
