Dear Prof Smith

PERMANENT EXPORT PERMIT: No. 80/10/07/007/52

I attach as requested a permit for the export of one rib from a human skeleton and 100 grams of marine shell, collected during a rescue excavation of a burial that was exposed during deep excavations for the installation of bulk services for the St Helena Bay development. The SAHRA APM has noted that Heritage Western Cape has required that samples be sent for dating.

The SAHRA APM Unit wishes you every success with the project.

Yours sincerely

Mrs Nonofho Ndobochani
