Dear Mr Birkholtz,

PERMIT: No. 80/11/06/007/51

Thank you for settling your permit application fee with SAHRA. I attach as requested a permit to undertake Phase 2 archaeological excavations at Site 1, a historical rubbish dump dating from the last 1890s, on the farm Driefontein 85-IR, Portion 403, in the Boksburg District, Gauteng Province. We have noted, as commented on in the SAHRA review comment (21 March 2011) that the site will be impacted on by the proposed Comet Ext 14 development.

We wish you success with the project.

Yours sincerely

Mrs Nonofho Ndobochani
