Dear Ms Campbell

PERMANENT EXPORT PERMITS: Nos 80/08/04/009/52, 80/08/04/010/52

I attach as requested a permit for the export of samples from two skeletons, one from Gladstone (GLD N8.3) curated at the McGregor Museum and the other from Nooitgedacht 278JQ (UP49) curated at the University of Pretoria. The SAHRA APM Unit has noted the restrictive sampling condition the University of Pretoria's Anatomy Department has placed on the sampling of UP49. This restriction has been included as a condition of the permit. Please review the permit conditions carefully and contact us should you have any queries before the samples are sent abroad care of Professor Stone at the University of Arizona for analysis.

The SAHRA APM Unit wishes you every success with the project.

Yours sincerely

Mrs Mary Leslie
