Dear Dr de Ruiter

TEMPORARY EXPORT PERMIT: No.80/08/08/009/52

I attach as requested a permit for the temporary export of 400-500 small and often fragmentary animal teeth and other fossil bone to you at Texas A & M University for identification and analysis. The SAHRA APM unit has noted that the material will be hand carried by two graduate students of the Department of Biological Sciences of Sam Houston State University: Mr Timothy Campbell and Ms Alicia Kennedy. Please note the SAHRA APM would prefer that when the material is returned it is hand carried. The SAHRA APM Unit should be informed should such an arrangement not be possible when the fossil bone is ready to be returned.

The SAHRA APM Unit wishes you every success with the project.

Yours Sincerely

Mrs Mary Leslie
