Dear Dr Marean

PERMANENT EXPORT PERMIT: No.80/09/11/010/52

I attach as requested a permit for the export of samples of sediment and rock taken from the excavations (PP5-6) and non-archaeological settings at Pinnacle Point. SAHRA has noted that the material will be exported to Dr Herries for analysis and dating. The sample sizes will be mostly small cubes (2 cm per side) of sediments taken from PP5-6 and some modern soil samples totalling about 1000 samples. The bulk of the samples will remain in South Africa.

The SAHRA APM Unit wishes you every success with the project.

Yours sincerely

Mrs Mary Leslie
