Dear Dr Chirikure

TEMPORARY EXPORT PERMIT: No. 80/08/08/012/52

I attach, as requested a permit for the temporary export of copper samples (ten pieces of slag and five of tuyere), from Kgopolwe, Loole 31, and Nareng, all excavated by Professor Nick van der Merwe near Phalaborwa in the Limpopo Province, for analysis that will contribute to our understanding of pre-colonial copper working. The analysis will be carried out by Professor Thilo Rehren, of the Institute of Archaeology University College London Garden Square, London, United Kingdom.

Yours sincerely

Mrs Mary Leslie
