Dear Mr Fourie

PERMIT No. 80/08/04/012/51

I attach as requested a permit for the archaeological excavation and collection (shovel testing and collecting a representative sample) of Site 2530BD-MHC039 on Portions 9 & 10 of the farm Stonehenge 310 JT in the Nelspruit District, Mpumalanga Province.

Please remind the developer that, since the HIA report identified two sites, both the site for which the current permit is issued (2530BD-MCH039) and the other site (2530BD-MCH038) will require an application for a destruction permit before the site can be developed.

The SAHRA APM Unit wishes you success with the project.

Yours sincerely

Mrs Mary Leslie
