Dear Dr Almond

PERMIT: No. 80/06/11/013/60

I attach as requested a permit for the collection of fossil material (principally trace fossils, stromatolites, shelly fossils, vendobiontans) from sediments spanning the Precambrian-Cambrian boundary in the Northern Cape, South Africa.

SAHRA understands the necessary application for collection has been submitted to the Provincial Heritage Resources Authority in the Western Cape.

SAHRA wishes you every success with the permit.

Sincerely

Mrs Mary Leslie
