Dear Mr Kruger

**PERMIT:** No. 80/07/03/014/51

Thank you for settling your permit fee with SAHRA. I attach as requested a permit for the continuation of excavations (as Phase 2), following Phase 1 exploratory excavations under SAHRA Permit No.80/06/09/007/51, to locate archaeological features at the Old Fort, Constitution Hill, Johannesburg, Gauteng Province.

SAHRA understands that the Phase 2 excavations will extend the archaeological analysis of features at the site in order to ensure that all areas with possible archaeological or historical features are investigated. SAHRA supports these investigations as the recommendations of the archaeologists will inform any restoration, conservation or development in these areas.

SAHRA wishes you every success with your project.

Yours Sincerely

Mrs Mary Leslie
