Dear Mr Pelser

**PERMIT:** No.80/08/05/016/51

I attach as requested a permit for the investigation and relocation of a possible grave and to allow for eight trenches to be dug on the four sides of the old cemetery at Grave Site 3 to ensure no further remains are present before mining commences at Douglas Colliery, Mpumalanga Province. The SAHRA APM Unit has noted that the grave site had been exhumed and the burials relocated in 2006 but another survey recently undertaken has revealed the possibility of a single grave still present, hence the need for the investigation and possible relocation.

The SAHRA APM Unit wishes you every success with the project

Yours sincerely

Mrs Mary Leslie  
SAHRA: Manager of the Archaeology, Palaeontology and Meteorites Unit
