**PERMIT:** No. 80/08/04/022/51

I attach as requested a permit to allow for exploratory excavation of an area of ground outside the walled cemetery site (known as Rustenburg) in order to determine whether there are any signs of an old graveyard documented in the general area, at the University of Cape Town. This needs to be ascertained before any new developments takes place on the site. This permit only allows for exploratory excavations to ascertain the presence and extent of burials and does not permit the removal of archaeological (Section 35) material.

The SAHRA APM Unit wishes you success with the project.

Yours sincerely

Mrs Mary Leslie
