Dear Ms Hillestad

PERMANENT EXPORT PERMIT: No. 80/06/01/003/52

I attach as requested a permit to allow for the export of 34 samples (5 mg each) of mammal tooth enamel from MSA and LSA archaeological collections from Blombos Cave, curated at IZIKO: South African Museum. SAHRA understands that the samples will be exported to Dr Yoneda for analysis.

Policy indicates that where possible work that can conceivably be done in South Africa, should be. Please could you bear this in mind in future applications.

SAHRA wishes you every success with the project.

Sincerely

Mary Leslie
